A. B. FRENCH Founder

Growers Of Quality Nursery Stock

OUR NINETY-THREE YEARS IN BUSINESS
IS YOUR GUARANTEE

FRENCH NURSERY CO.

AT CLYDE, OHIO SINCE 1863

TERMS OF SALE

GUARANTEE

We give no warranty, expressed or implied, as to description, quality, growth, productiveness, or any other matter, of any stock we sell. It is mutually agreed that our total liability for untrueness to name shall be limited upon satisfactory proof, to free replacement, or refund of the purchase price.

REPLACEMENT

It is the desire of the FRENCH NURSERY CO. to satisfy every customer, and this has been our policy for NINETY THREE YEARS. We guarantee our stock to reach the customer in good condition, and we will replace absolutely free any stock that does not reach the customer in good condition, providing we are notified immediately upon arrival of order, so that we can make claim with transportation company.

We do not replace Nursery Stock that fails to live. Possible neglect of planter and unavoidable climatic conditions prevent guaranteeing trees and plants to grow. We will, however, replace at one half the current years prices, any plants that die the first summer if the customer notifies us before August first following.

TERMS

Prices listed cancel all previous prices and are subject to change without notice. All offers are made subject to supply. All shipments will be Cash on Delivery, unless cash is paid in advance of shipment. Small trees and plants may be sent by Mail. Where Parcel Post shipment is desired, there will be an additional charge for Postage. Add 25c to Orders up to \$2.50 Add 40c to Orders up to \$5.00. The customer pays transportation charges on FREIGHT and Express shipments.

SALES TAX

In Ohio there is a 3% SALES TAX, on all orders that are not used for home consumption. Fruit Trees and Small Fruits are TAX EXEMPT.

FRENCH'S OWN INTRODUCTION

★ALBRU - U. S. Plant No. 813

We consider Albru the best commercial variety ever introduced in Elberta season. Albru is rapidly replacing Elberta in our locality. We highly recommend ALBRU.

Albru is a sport of J. H. Hale, a large highly colored freestone, ripening in Elberta season. It doesn't have the small "Buttons" or small undeveloped peaches at harvest like J. H. Hale. It bears heavy as Elberta, ships and handles well. Many large growers consider it the best variety in Elberta season. Albru has everything the commercial planter wants — Size, Quality and Color. Albru always commands highest prices.

Note: Opposite each variety you will note their approximate ripening date, as given by the Government Experiment Station at Wooster, Ohio.

Peach trees are one of our main items. Our PEACH-ES are grown on rich sandy soil, which enables us to produce trees, with a wonderful Root system, plenty of Fibre Roots, which are so essential. For the Commercial Planter, we highly recommend the 3-4 ft. 7/16 Caliper, often called the medium grade or orchard size.

NOTE: WHEN BUYING IN LARGE QUANT-ITIES SEND US YOUR DEFINITE LIST OF VARIETIES FOR SPECIAL QUOTATIONS.

NUMBER OF SHRUBS OR PLANTS FOR AN ACRE

Distance	No. of	Distance	No. of
Apart	Plants	Apart	Plants
6 x 6 feet	1,210	$16\frac{1}{2} \times 16\frac{1}{2}$	feet 160
$6\frac{1}{2} \times 6\frac{1}{2}$ "	1,031	17×17	" 150
7 x 7 "	881	18 x 18	" 134
8 x 8 "	680	19×19	" 120
9 x 9 "	537	20 x 20	" 108
10 x 10 "	435	25×25	" 69
11 x 11 "	360	30×30	" 48
12 x 12 "	302	33×33	" 40
13 x 13 "	257	40×40	" 27
14 x 14 "	222	50×50	" 17
15 x 15 "	193	60 x 60	" 12
16 x 16 "	170	66 x 66	" 10

NUMBER OF TREES OR PLANTS TO THE ACRE (Square System)

RULE—Multiply the distance in feet between the row by the distance the plants are: number of square feet for each plant, which, divided into the number of square feet in the acre (43,560), will give the number of plants or trees to the acre.

DISTANCES APART FOR PLANTING

DISTANCES AT ART FOR TEARTING		
Apples 30 to 40 ft. each way		
Pears 20 to 30 ft. each way		
Plums 16 to 20 ft. each way		
Peaches 18 to 22 ft. each way		
Cherries 20 to 25 ft. each way		
Apricots 16 to 20 ft. each way		
Quinces 8 to 14 ft. each way		
Grapes 8 ft. each way		
Asparagus 1 to $1\frac{1}{2}$ ft.		
Raspberries, Black3 by 6 ft.		
Raspberries, Red 3 by 5 ft.		
Blackberries 3 by 5 ft.
